Sir:

Applicants erroneously submitted a request for continued examination and petition for extension of time in this application on July 6, 2009, and authorized charging of the fees for these to deposit account 22-0261. A first office action was issued in this case January 6, 2009. This application is not under a final office action nor have the claims been twice rejected. Therefore, it is not possible to request continued examination in this case. Applicants have request that the request for continued examination and petition for extension of time be removed from the file and prosecution proceed with the examination of Applicants' response submitted June 5, 2009, to the first office action issued January 6, 2009. Applicants request that any fees charged pursuant to the erroneously filed papers be refunded or that the fees not be charged.
